

sketch, scan, share

Grab yourself a yellow and a red pencil and follow the steps below to draw your golden smile. Then, using the Happy Meal App, launch a surprise AR experience at home!

1.

Draw a yellow curve.

2.

Draw a second yellow curve.

3.

Add two little rectangles to each side.

4.

Colour the smile yellow.

5.

Draw a red box around the smile and colour it in.

6. Download the Happy Meal® App and scan your drawing for a magical surprise.
