

## **McDonald's Saudi Arabia "High quality with No secrets"**

Transparency is what we stand for and is one of the most important pillars of work at McDonald's Saudi Arabia. We launched a campaign entitled (We don't have Secrets), which emphasized our keenness to provide high-quality products with no secrets. At McDonald's Saudi Arabia, we offer the best quality of halal and 100% pure beef products without any additives and offer only pure and halal chicken. Moreover, we only use 100% non-hydrogenated vegetable oils, which are a mixture of canola oil and sunflower. Our famous and delicious potatoes are 100% natural, we get them from the farms of our certified suppliers with high quality and with no secrets. The source of inspiration and motivation to provide the finest and the best quality is our customer's trust and because McDonald's simply has no secrets.

You can easily find out everything related to the quality of McDonald's products on our website you have the right to know. [YRTK.com](http://YRTK.com)
