

McDonald's Australia New McCafe Beverages Allergen - Ingredients - Nutrition Information

Information correct as at July 2026

Nutrition Disclaimer

We operate restaurants that handle Gluten, Wheat, Egg, Milk, Soy, Sesame, Fish, Peanut, Tree Nuts (Almond, Brazil Nut, Cashew, Hazelnut, Macadamia, Pecan, Pine Nut, Pistachio, Walnut), Sulphites.

While we identify and manage allergen risks, our menu items may be prepared on the same equipment and in the same kitchen area as menu items that do contain these allergens. Check our website's allergen section regularly, as changes may occur.

No food items are certified as vegetarian. Whilst some ingredients may not contain animal ingredients, we cannot guarantee that there will be no cross contact with ingredients that do contain animal ingredients in our kitchens.

We operate Halal certified restaurants. Only those items listed on the certificate in the front counter area and drive thru booth at our restaurants serving Halal options are certified as Halal.

The average adult daily energy intake is 8,700 kJ.

The nutrition and ingredient information provided is based on standard product formulations, standard product assembly, and standard serving sizes. Actual sizes and assembly may vary. Due to the individual preparation of each of our menu items, actual values may differ from those listed. Variations may also occur depending on the supplier, country of origin, region of the country of origin, and the season of the year. Further, product formulations may change periodically.

If you would like further information or have food sensitivities or dietary concerns regarding specific ingredients, please contact our Customer Service team. For details on short-time menu items, please speak with a manager in one of our restaurants or reach out to our Customer Service team at <https://mcdonalds.com/au/en-au/contact-us.html> or call us on (02) 9875 710.

Our allergen labelling complies with Australia New Zealand Food Standards Code – Standard 1.2.3.

Allergen Summary: As we operate working kitchens please be aware that there is always a risk that allergen containing ingredients may be transferred during storage or preparation of food in our kitchens. McDonald's Restaurants are therefore unable to guarantee that any food item sold is free from cross contact of allergens.
