

# Be More Paddington!

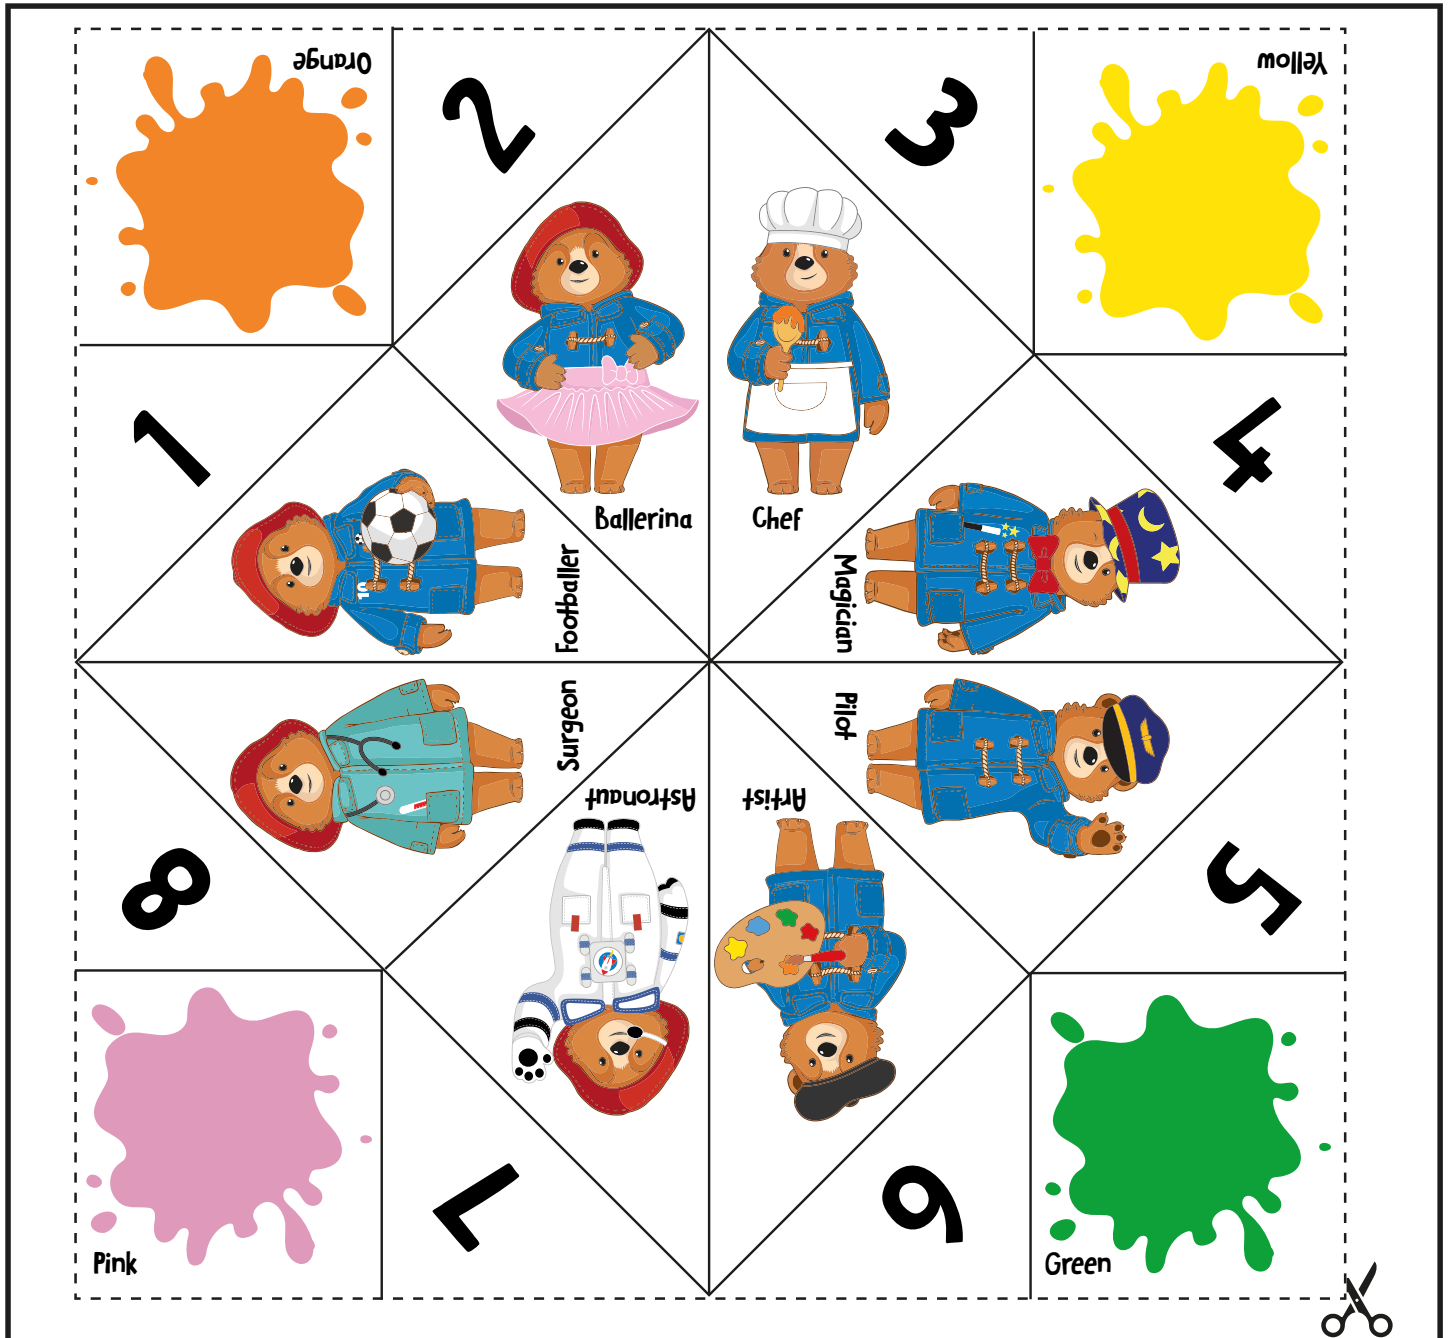

Happy Meal®

Who will your little one get to be today? Follow the instructions below to get curious together, just like Paddington.

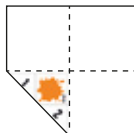

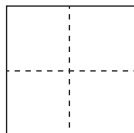

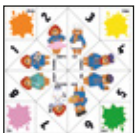

- 1 One player should place their index fingers and thumbs into the fortune teller to begin.
- 2 The other player should pick a colour. Spell out the letters to reveal four numbers to pick from.
- 3 That same number is then counted out to reveal 4 numbers. Once a number is picked, lift up to reveal who you're going to be today!
