

Make your own Christmas Bauble!

Adults, help your little one create their own festive bauble!
Watch our 'How To' video together to get started. **Adult supervision required.**

Materials:

- Thick paper card or paper off-cuts
- Round edged scissors
- Craft string
- Kid's glue
- Small paper cup
- Optional beads and glitter

Instructions:

1. Draw 8-10 circles using cup to trace the outline.
2. Assist your little one in cutting out the circles.
3. Fold the circles in half and create a strong crease.
4. Help your little one to glue the left side to the right until you have space for one last circle.
5. Add the string (with loop tied).
6. Help your little one stick the final circle together.
7. Add glitter and beads if desired!
