McDonald's Ireland

ALLERGEN

information guide

MONOPOLY 2024

Valid from 4th September to 15th October 2024

For more information please visit our website and view the menu section www.mcdonalds.ie/nutrition

Recipes change every now and again,so please check the leaflet regularly.

We only use 100% Irish Beef.
Oh, and a pinch of salt and pepper.

We only use 100% Irish milk for our teas, coffees and Happy Meal® milk bottles.

We only use 100% chicken breast meat.
Across our whole range.

We also shell out for over two million eggs every year, from Greenfield Foods in Co. Monaghan.

Additional Allergen Information

We produce our food in kitchens where allergens are handled by our people, and where equipment and utensils are used for multiple menu items, including those containing allergens. While we try to keep things separate, we cannot guarantee any item is allergen free, even after ingredients have been removed on request. While there are no nut or peanut ingredients in the products listed on this leaflet, we cannot guarantee that our food is completely nut or peanut free.

Please note:

- Our buns, rolls and tortilla wraps are toasted in the same toaster as buns topped with sesame seeds.
- Due to the handling of cheese we cannot guarantee our products do not contain traces of milk, including where a request has been made to remove cheese from an order.
- Our Fries and Hash Browns are cooked in the same oil as Veggie Dippers.
- Delivery orders: we also cannot guarantee your meal will not come into contact with other allergens during delivery. Couriers may transport other McDonald's orders or orders from other businesses at the same time as your McDonald's order.

For any further information please contact our Customer Services Team via our website – www.mcdonalds.ie
