Additional Allergen Information

We prepare our food in kitchens where allergens are present and shared equipment is used. Although we handle your meal with care, we cannot ensure it is allergen free, even if requested ingredients are removed. While there are no nuts or peanuts in our products, we cannot guarantee they are completely nut or peanut-free.

Please note:

- Our buns, rolls and tortilla wraps are toasted in the same toaster as buns topped with sesame seeds.
- Due to the handling of cheese we cannot guarantee our products do not contain traces of milk, including where a request has been made to remove cheese from an order.
- Our Fries and Hash Browns are cooked in the same oil as Veggie Dippers.
- Delivery orders: we also cannot guarantee your meal will not come into contact with other allergens during delivery. Couriers may transport other McDonald's orders or orders from other businesses at the same time as your McDonald's order.
- Always check the packaging / product label for ingredients list and allergen information
