While the ingredient information is based on standard product formulations, variations may occur. This listing is updated regularly in an attempt to reflect the current status of our products and may vary from other printed materials in the restaurant. All information on this leaflet applies to Ireland only and is subject to change without notice. Please check www.mcdonalds.ie for the most up-to-date information.

Additional Allergen Information

We produce our food in kitchens where allergens are handled by our people, and where equipment and utensils are used for multiple menu items, including those containing allergens. While we try to keep things separate we cannot guarantee any item is allergen free even after ingredients have been removed on request. While there are no nut or peanut ingredients in the products listed on this leaflet we can't guarantee that our food is completely nut or peanut free.

Please note:

- Our French Fries and Hash Browns can be cooked in the same oil as Veggie Dippers.
- Our buns, rolls, tortilla wraps and flatbreads are toasted in the same toaster as buns topped with sesame seeds.
- Due to the handling of cheese during the preparation of a large number of our menu items, we cannot guarantee our products do not contain traces of milk, including where a request has been made to remove cheese from an order.
- Delivery orders: We also cannot guarantee your meal will not come in to contact with other allergens during delivery. Couriers may transport other McDonald's orders or orders from other businesses at the same time as your McDonald's order.
