

Who's Behind the Mask!

Adult supervision required

- 1 Help your little one cut along the dashed lines to cut out the cards.
- 2 Place all the cards on a table with the masks facing upwards.
- 3 Now take it in turns to each turn over a card to try and find two matching pairs. If you match a pair of Masked Singer characters, you keep that pair and have another turn.
- 4 The player with the most cards at the end is the winner!
