# Acorn Hunt

Help the squirrel choose the path with the most acorns!  
Don't forget to count them up and write the number in the box next

The maze consists of three paths labeled A, B, and C. Path A is on the left, Path B is in the middle, and Path C is on the right. Each path contains a different number of acorns. The squirrel is currently on Path B, eating an acorn. The paths are decorated with leaves and flowers. At the bottom, there is a tree and some grass. At the top left, there are three boxes labeled A, B, and C for writing the number of acorns in each path. At the bottom left, there is a box labeled 'Answers' containing the numbers 7, 10, and 16.
