Halloween Board Game

Adult supervision required

- 1 With the help of an adult, cut out your icons and pick which character you're going to be!
- 2 Cut out the numbered counters (1-4) and place them face down. You'll use these to decide how many places you'll move on the board.
- 3 In turns, pick from the numbered counters to move your icon around the board.
- 4 Try and get to the end as quickly as possible but watch out! Who knows what spooky surprises may lie around the board!
