

Make your own Fox Mask!

Adults, help your little one create their own 3-D Fox Mask! Print out the template from the Family Fun Hub and watch our 'How To' video together to get started. **Adult supervision required.**

Materials:

- Happy Meal box or orange card
- Black marker
- Craft stick
- Kids' glue
- Round edged scissors
- Fox mask template from the Family Hub

Instructions:

1. Print out the fox mask template.
2. Cut out the template for your little one including the eyes.
3. Align the template with the top of the Happy Meal box or orange card, then draw around the template using a black marker – don't forget the eyes!
4. Help your little one to cut out - including the eyes.
5. Help your little one cut out the whiskers and nose bridge from the template.
6. Assist your little one in gluing everything together, including the craft stick!
7. Draw on the nose to finish!
