Make your own Puppet Monster

Adult supervision
required

- 1 Ask an adult to use scissors to cut along all the dotted lines.
- 2 Fold the monster in half along fold line 1, then fold line 2,3, and 4.
- 3 Fold the two tabs (fold 5 & 6), then apply glue to the tabs and insert them into the line you have cut.
- 4 Place your 4 fingers in the top of the monster and your thumb in the bottom and you have your very own monster puppet.
