

Snap and Pairs game. Two ways to play!

Snap Game

1. Pop out all the cards and shuffle them. Deal them equally between all players.
2. Take turns placing one card face up. If two matching cards appear, be the first to shout "SNAP!"
3. The first player to call "SNAP!" wins the pile. The player with the most cards at the end wins!

Pairs Game

1. Pop out all the cards and place them face down.
2. Take turns turning over two cards. If they match, keep the pair. If they don't, turn them back over.
3. Keep playing until all the pairs have been found. The player with the most pairs wins!
